

WS-5680T 6.5 Inch 80W High Power 70V/100V/8Ohms 2-Way Coaxial Weather Resistant Compact Nearfield Wall Mount Loudspeaker

Product ID: WS-5680T

Short Description

Rated power: 80W

Line input: 70V/100V/8Ω

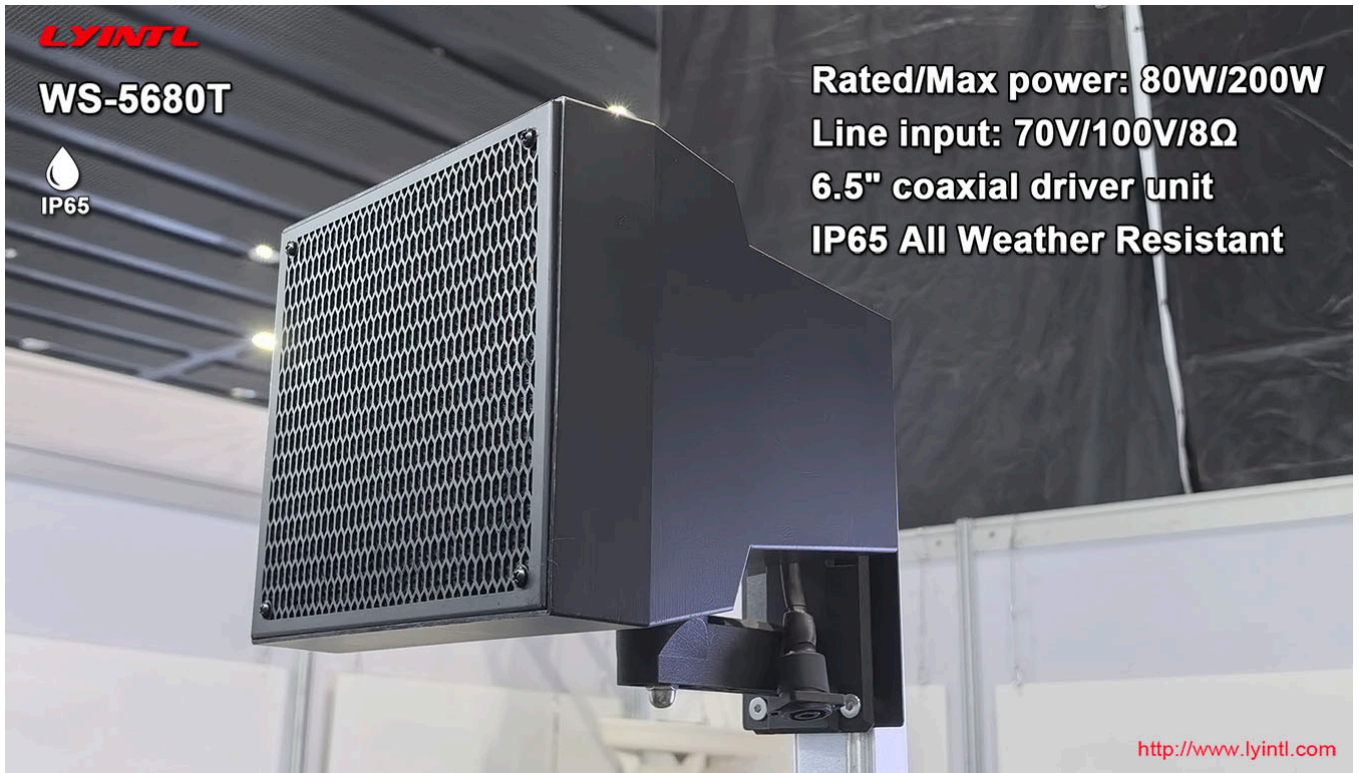

6.5" Woofer, 1" coaxial tweeter

IP65 Outdoor all weather resistant

Description

Introducing our new designed WS-5680T 6.5 Inch 80W High Power 70V/100V/8Ohms 2-Way Coaxial Weather Resistant Compact Nearfield Wall Mount Loudspeaker, designed to deliver exceptional sound quality in any environment.

Engineered for both indoor and outdoor environments, this versatile speaker boasts an IP65 waterproof rating, ensuring exceptional durability and performance even in harsh conditions.

Key features:

- **High-Power Output:**
With 80W of rated power, max 200W, the WS-5680T delivers clear and powerful audio suitable for various settings.
- **Versatile Compatibility:**
Supports 70V/100V/8Ohms configurations for flexible installation options.
- **Premium Build Quality:**
Constructed with a high-quality ABS body, aluminum front grille, and aluminum bracket for long-lasting durability.
- **Weather Resistant:**
Designed to withstand the elements, making it perfect for both indoor and outdoor use.
- **Compact Design:**
The 6.5-inch 2-way coaxial speaker is compact and easy to mount on walls, ensuring a seamless fit in any space.

This speaker is the ideal solution for enhancing your outdoor audio experience, providing superior sound quality and long-lasting durability. Perfect for a wide range of applications, from public announcements to creating an immersive musical atmosphere. Upgrade your outdoor sound system with our reliable and high-performance wall mount speaker.
