

H-3204, 40W Explosion Proof Aluminum Horn Speaker

Product ID: H-3204

Short Description

Rated power: 40W

Line input: 70V/100V

Explosion proof, Aluminum, waterproof IP66

Description

Explosion proof Aluminum horn speaker (IP66), suitable for outdoor all weather usage, 70V/100V line input.

This explosion-proof horn speaker features superior fireproof performance and sufficient mechanical strength, it is with high sensitivity and electricity/sound efficiency.

This product is used for high fire resistance, generates no hazardous gas or environmental pollution, suitable for broadcasting, paging and emergency broadcasting in chemical plants, gas stations and the like which have a risk of explosion due to methane mixture, petroleum and other dangerous gas. It is applicable to a site where Class II, T6 explosive atmosphere exists or steam or air is generated.

Specification

Model	H-3204
Rated power	40W
Power taps	20/40W
Line input	70V/100V
Sensitivity (1m,1W)	105±2dB
Max SPL	118±2dB
Frequency response	400-10KHz
Woofer speaker driver	-
Tweeter driver	-
Product dimension (mm)	252x252x355
Frame material	ABS
Grille material	-
Waterproof	IP66
Color	
Product net weight (Kg)	7.2
Gross weight (Kg)	
Packing dimension (cm)	-
