

G-3647, 30W 5.5" Outdoor All Weather Waterproof Imitate Rock Landscape Speaker

Product ID: G-3647

Short Description

Rated power: 30W

Line input: 70V/100V

Resin material, waterproof IP66

Description

The **LYINTL G-3647** is a rugged, high-performance outdoor speaker designed to blend seamlessly into gardens, parks, and landscapes—all while delivering reliable sound coverage in all weather conditions.

Built with a rock-like resin shell, this speaker offers both aesthetic appeal and durable performance. It supports 70V / 100V line-level operation and is rated for outdoor use, making it ideal for public address (PA) systems in lawns, scenic areas, resorts, campuses, and commercial landscapes.

Key Features

- **Weatherproof & Durable:** Crafted from high-strength resin with waterproof components, the G-3647 is built to withstand harsh outdoor conditions while maintaining a natural stone appearance.

- **Line-Level Compatibility:** Supports 70V / 100V systems for long-distance, low-loss distribution in large outdoor audio networks.
- **Clear, Wide Coverage Sound:**
 - Rated power: 15 W (RMS)
 - Sensitivity: 86 ± 2 dB (1W @ 1m)
 - Maximum SPL: 98 ± 2 dB
 - Frequency response: 150 Hz – 20 kHz
- **Stable Design:** Weighing ~3.6 kg and measuring $260 \times 200 \times 220$ mm, its shape and weight ensure stable placement on the ground or landscape terrain.
- **Wide Outdoor Usage:** Designed to blend into garden landscapes while providing reliable audio coverage for background music, announcements, or ambient sound distribution.

Specification

Model	G-3647
Rated power	30W
Power taps	8/15/30W
Line input	70V/100V
Sensitivity (1M,1W)	86dB $\pm$ 2dB
Max SPL (1M)	98dB $\pm$ 2dB
Frequency response	150-20KHz
Woofer speaker driver	5.5"x1
Tweeter driver	1"x1
Product dimension (mm)	225x225x270
Frame material	Resin
Grille material	-
Waterproof	IP66
Color	Black
Product net weight (Kg)	3.6
Gross weight (Kg)	5Kg/1pcs
Packing dimension (Kg)	-
