

HS-838 Smart Home Network Music Player Panel Amplifier

Product ID: HS-838

Short Description

5" TFT full touch screen

2x20W/8Ω high efficient amplifier

Micro SD/Bluetooth/FM/Internet radio/AUX input

Description

? 5.0" TFT full touch screen

? 5 audio sources: Bluetooth, build-in 8G memory, SD card, internet radio/network music and AUX

? Bluetooth 4.0, Wifi and 10-100M wired network connection

? Build-in Hi-Fi digital amplifier, offering 2.1 channel output connected to active subwoofer

? Build-in DSP effect, offering 5 effect options: normal, pop, classic, jazz and rock

? Independent timer with power off memory function

? Supported audio formats: MP3, WMA, MAV, APE, FLAC, ACC, OGG, etc.

? 1G running memory, 8G internal storage, support SD card upto 32G

? Built-in video player, support 1080P full high-definition video display, supporting the playing of the video formats including AVI, RM, RMVB, WMV, MOV, MP4, MPEG, MPG, FLV and etc.

? Built-in various types of application software, including weather, music, Internet radio, and network television

? Supporting DLNA/Airplay protocol

? Read, copy and delete contents memorized in the mobile phone, PSD, and other mobile devices is available

? RS485 interface for connection to intelligent home central control host or other smart home devices

? RJ45 network interface, connect to LAN and wireless router, with wireless router the player can be controlled by iPhone, iPad, iPod or Android smart phone

? Infrared remote control

? Support APP wireless smart phone control

? Build-in weather forecast, network radio and other APP download from APP market

Specification

Item	Parameter
Power supply	AC100-240V 50/60Hz
Audio source	Local music, internet radio, network music, bluetooth, SD card, AUX
AUX input impedance	10K?
Rated output power	2x20W / 8?
Frequency response	20Hz-20KHz
T.H.D	?0.2% @ 1KHz

S/N	?
Bluetooth transmission distance	?10m
Power consumption	?45W
Net weight (Kg)	0.38
Gross weight (Kg)	0.67
Product dimension (LxWxH) (mm)	172x86x45
Packing dimension (LxWxH) (mm)	220x180x135
